The STANLEY J7CS 700 Peak Amp jump starter/power station is a practical all-in-one solution. It's got enough power to help start vehicles up to V6. Featuring a 120 psi air compressor with a backlit gauge, you can easily refill tires or inflate sports equipment. With the triple USB port, you can charge multiple portable electronics on the go.

The 12 gauge cables seem a bit short but should be adequate for most cars. I like this 700 peak amp jump starter as it is a good size and light weight and has USB and 12 volt power port. I feel as long as you remember to keep it charged it will save the day when you need it most. The Vector 700 Amp Jump Starter has a one year warranty.
