This 72V lifepo4 battery pack is very suitable and convenient. The following is the detailed description. When the BMS detects that the voltage of any cell exceeds the "over voltage protection point", the charging circuit will be cut off.

Waterproof Charger Product shell adopts integrated extruded aluminum sealing structure, The active cooling fan adopts potting structure design to ensure long service life. Reliable product engineering and years of industry validation make the charger suitable for use in harsh environments. It suitable for flooded lead acid batteries, sealed lead acid batteries,lithium-ion ...

Type: Lithium Battery Charger Type: Battery Charger Charger Application: Electronic Forklift, Electronic Sweeper Nominal Voltage: 72V Charger Style: Intelligent Charger Certification: CE, ISO9001
