Why should you choose Baxia solar lights?

Ultra-BrightSolar Powered Lights: Fewer LED beads does not mean lower brightness. Our upgraded high brightness led beads perfectly meets both your security and lighting requirements. When passing the front door,backyard,garden fence or garage,you will absolutely love the brightness of our Baxia solar light

What is a Baxia solar light?

Made of high-strength ABS shell and high quality solar panel,the BAXIA solar light is specifically designed to withstand extreme weather conditions. It will work hard to light up your house even on a rainy,windy or snowy day

Where are ZOOKKI solar lights best suited?

The ZOOKKI Solar Lights would be better suited for a small patio or on the wall going up a stairway. They aren't very effective when used individually,but if you install all four of them in one place,they do an okay job of lighting up a driveway. We also didn't find the motion sensor range to be that solid.

Are outdoor solar-powered lights eco-friendly?

Outdoor solar-powered lights are extremely eco-friendlyand help you save money. They come with solar panels that absorb solar energy and convert it to electric power for lighting up your spaces. Most of these lights are automatic,requiring no attention at all.

Are Baxia solar lights waterproof & heatproof?

When passing the front door,backyard,garden fence or garage,you will absolutely love the brightness of our Baxia solar light IP65Waterproof &Heatproof: If you are looking for durable solar wall lights that will last for years,our solar light perfectly fits that bill.
