

Angola Tour Outdoor Power Supply

What type of plug does Angola use?

Angola uses power outlets and plugs of type C. Take a look at the picture below to see what this plug and power socket looks like: Do the outlets look different in your country? You'll need a power plug adapter. Type C - The standard European plug. Commonly used in Europe, South-America and Asia, but also in quite a few other countries.

Do I need a power plug adapter in Angola?

You'll need a power plug adapter. Type C - The standard European plug. Commonly used in Europe, South-America and Asia, but also in quite a few other countries. Plugs of type E and F will also fit in a type C outlet. Angola only has one type of power plug; the ungrounded European style type C (Europlug).

Do I need a travel adapter for Angola?

Here is a quick guide to help you figure out if you need a travel adapter for Angola: What Power Plugs and Outlets Are Used in Angola? Type C: Type C plugs have two round prongs on either side of the plug, commonly known as Euro plugs. Mostly used in Europe, South America, and Africa. Type C outlets can be fit with either Type E or Type F plugs.

What type of power socket is used in Angola?

The power sockets in Angola are of type C. The standard voltage is 220 V at a frequency of 50 Hz. Check your need for a power plug (travel) adapter in Angola.

Which plugs fit in a Type C outlet in Angola?

Plugs of type E and F will also fit in a type C outlet. Angola only has one type of power plug; the ungrounded European style type C (Europlug). If you're not sure whether the outlets and plugs used in your country are the same as in Angola, you can use the tool at the top of this page to check if you need a travel adapter.

Do I need a voltage converter in Angola?

If the standard voltage in your country is in the range of 100V-127V (which is most common in the US, Canada and countries in South America) you might need a voltage converter in Angola. The standard frequency in Angola is 50Hz. If this frequency differs from the frequency used in your home country, please use caution when plugging in your devices.
