

What power plugs are used in Benin?

What Power Plugs and Outlets Are Used in Benin? Type C: Type C plugs have two round prongs on either side of the plug, commonly known as Euro plugs. Mostly used in Europe, South America, and Africa. Type C outlets can be fit with either Type E or Type F plugs. Type E: Type E plugs are a little thicker than Type C plugs.

What do Benin electrical outlets look like?

When you are going on a trip to Benin, be sure to pack the appropriate travel plug adapter that fits the local sockets. But what do those electrical outlets look like? In Benin, types C and E are the official standards. Since type F plugs are identical to type E plugs, they can also be used with type E sockets.

Do I need a travel adapter for Benin?

If it is not, you will need to purchase a travel adapter for Benin. There are many different types of adapters available on Amazon that can be used in Benin. You can purchase a universal adapter that will fit most outlets in the world, or you can purchase a specific adapter for Benin. -> Find travel adapters on Amazon.

Can I bring a hair dryer to Benin?

There are various types of adapters available on Amazon, including universal adapters that can fit most outlets in the world. If you would like to bring your hair dryer, hair straightener, curling iron, or any other electrical appliance with you while traveling to Benin, make sure that it is compatible with Benin outlets.

In Benin, power plugs and sockets (outlets) of type E are used. The standard voltage is 220 V at a frequency of 50 Hz. For more information, select the country you live in at the top of this page. Buy a power plug (travel) adapter. We don't sell power plug adapters. We refer you to Amazon, where you will find a great selection of travel adapters.
