Impact Driver, 2-Tool Power Tool Combo Kit, Brushless Power Tool Set with 2 Batteries and Charger Included (DCK277D2) Compact (7.6 in. front to back), lightweight design fits into tight areas ... Powered by 18V Lithium ...

Cordless or wireless power tools - rely on the electric energy stored within batteries of different chemistries such as Nickel Cadmium (NiCd), Nickel Metal Hydride (NiMH) and Lithium Ion (LiIon). The Lithium Ion based battery has become the most prominent because of its increased energy density, as well as resilience to hold a charge.

This set comes with two, 3.0-Ah batteries (better than most similar sets), as well as a fast charger. This gives its included tools an extended run time and decreases downtime between charges.

Brushless motors and lithium-ion batteries have revolutionized the impact wrench market, offering unprecedented run times, improved tool longevity, and impressive power ...
