

French Lyon Heavy Industry Energy Storage Cabinet

What are Lyon all welded steel storage cabinets?

Lyon all-welded steel storage cabinets include heavy-duty steel doors. Doors are hung on heavy-duty 5/16" brass pin hinges. Hinges are securely welded to each door. The heavy-duty hinges will help keep the doors align and close flush. The metal storage cabinet doors have rugged handles with a 3/8" thick padlock hasp.

Are Lyon cabinets welded?

Lyon cabinets are the industry standard for both durability and versatility. When you need a tough and rugged cabinet then look no further than these storage cabinets. We make these all-welded storage cabinets using 14-gauge steel. Lyon all-welded steel storage cabinets include heavy-duty steel doors.

What kind of storage cabinets does Lyon offer?

Lyon has a huge selection of industrial storage cabinets. These heavy-duty welded 14-gauge steel cabinets come in different sizes and layouts. The counter height and eye level cabinets are shorter than our standard heavy-duty steel storage cabinets but with the same strength.

Where are Lyon industrial storage cabinets made?

Lyon makes their industrial storage cabinets in the USA. Looking for other storage cabinets? Check out Lyon's full line of Metal Storage Cabinets. Order Lyon Industrial Storage Cabinets Today.

What are Lyon cabinets?

Lyon cabinets Lyon's all-welded steel cabinets expand storage capacity, increase efficiency and improve inventory management. Heavy-duty storage cabinets manufactured in the U.S., Lyon cabinets come in varying styles and designs.

Does Lyon make janitor cabinets?

Lyon doesn't just make shelf cabinets in our line of industrial storage cabinets. We also make combination cabinets which are half shelf storage and half wardrobe storage. Hang items on one side and store items on the shelves on the other side. This heavy-duty steel cabinet makes for a great janitor cabinet.

Heavy duty storage cabinets are available in a range of sizes, colors, and prices to best meet your warehouse needs. Measurements range from 36 to 60" in width, 21 to 24" in depth, and 46 to 82" in height.
