Before the earthquake, similar to the rest of Türkiye, Syrians, and other refugees were living in rental houses. Renting a flat, especially in the most affected areas, is almost impossible for refugees. Closed neighborhood practices, a scarcity of housing in the centres, and an increase in housing rents due to inflation exacerbate the situation.

Turkey has started the construction of a "container city" -- temporary housing units resembling shipping containers -- for quake-hit people in the city of Izmir, the environment and urbanization minister said Monday.. A magnitude 6.6 earthquake hit Turkey's third-largest city on Oct. 30.The death toll has reached 85, whereas rescue activities still continue.
