Almaty in Almaty Province is the largest city and the financial and cultural centre of Kazakhstan, with a population in 2024 of 2,250,000. It's a sprawling modern city on a grid pattern, with snow-capped mountains just south marking the border with Kyrgyzstan.

Solar Power: The potential of solar energy in Kazakhstan is estimated at 2.5 billion kWh per year. Solar energy can be widely used in two-thirds of Kazakhstan's territory. The government aimed to put 28 solar power plants into operation by the end of 2021, and met this goal, with currently 51 solar power plants in operation.

A huuuge traffic jam forms daily in the morning from Talgar to Almaty, and in the evening from Almaty to Talgar. Avoid that at all cost. By public transport, minibuses leave frequently from Almaty's Sayakhat bus station to Esik. From Esik, you will need to get a taxi, preferably all the way to Batan if you are planning to do some hiking.
