Project General Description. The program supports infrastructure investments as well as institutional capacity development. It involves multiple water supply and sanitation sub-projects or interventions to be implemented in the City of Kigali and in the satellite cities of Rubavu, Rusizi, Nyagatare, Muhanga, Huye, Musanze and Karongi.

Rwanda's post-conflict recovery resulted in a strong demand growth during 1995-2004. The ever-increasing demand, in combination with unexpectedly low lake levels due to prolonged regional droughts during 2003-2005, led to a rapid drawdown of the hydropower reservoirs Rwanda depended on for its power supply. The power supply shortage and the
