Fill your entire outdoor space with smart light using this outdoor power supply, which supports up to 95W. Connect up to 115 feet of cable to any low-voltage outdoor Philips Hue light, adding each fixture's wattage to reach the maximum 95W threshold of the power supply

The TEX series are industrial power supplies in a rugged die-cast aluminium enclosure. The design is water (incl. sea water), ice, oil and dust proof and complies with IP67 and NEMA 4X standards. They feature a high operating temperature range from -40°C up to 85°C. Safety approval includes ATEX 94/9/EC and IECEx for applications in hazardous locations.

Power supplies can also incorporate a number of other features: Battery backup - The power supply includes a battery backup for continuous output in the event of power failure. Hot swappable - The power supply can be replaced without shutting down the system, which is important for critical systems and those where downtime is unacceptable.
