

# Mobile power box 60ah

What is a powerbox 60?

Designed as a waterproof and submersible mobile power station for use in extreme environments, the Powerbox 60 is a fully field maintainable battery built to power many passions. Jump start a car or boat engine with over 1,000 cold cranking amps (CCA) of engine starting power.

What is a mobile power station?

A waterproof and submersible mobile power station for use in extreme environments. Jump start a car or boat engine with over 1,000 cold cranking amps (CCA) of engine starting power, run a trolling motor, or power your devices and smaller appliances with 60 amp hours (768 watts) of deep cycle Dakota Lithium energy.

How long does a powerbox DL+ battery last?

Inside the Powerbox+60 is the legendary DL+12V 60Ah dual-purpose battery, built with signature LiFePO4 cells for unmatched performance. It delivers 5,000+ recharge cycles, offering a roughly 5-year lifespan with daily use--far surpassing the 500 cycles of standard lithium or lead-acid batteries.

The Dakota Lithium Power Box 60Ah 12V Dual Purpose Power Station is a waterproof and submersible power station built to handle the toughest environments. With 60Ah of deep-cycle capacity and 1,000 cold cranking amps (CCA), it's perfect for jump-starting engines, powering devices, and running appliances. Lightweight, durable, and versatile ...
