The Economic Community of West African States (ECOWAS) took decisive action by imposing financial sanctions on the nation, and Nigeria cut off its power supply to Niger. ECOWAS also issued a stern warning of possible military intervention if Bazoum was not reinstated by a specified deadline, which expired on 6 August.

&quot;Since yesterday, Nigeria has disconnected the high-voltage line transporting electricity to Niger,&quot; a source at Niger's power company Nigelec told AFP. Niger depends on Nigeria for 70 percent of its power, buying it from the Nigerian company Mainstream, according to Nigelec, the country's monopoly supplier.

On July 28, the head of the presidential guards unit General Abdourahmane Tchiani declared himself Niger's new leader. West African leaders on Sunday gave Niger's military junta one-week ultimatum to give up power or face possible military consequences. However, it is not clear if the ECOWAS sanctions on Niger include
