

Outdoor power release rate

What is the global outdoor power equipment (Ope) market size?

The global Outdoor Power Equipment (OPE) market size was valued at USD 35.51 billion in 2024. The market is projected to grow from USD 37.36 billion in 2025 to USD 54.24 billion by 2032, exhibiting a CAGR of 5.47% during the forecast period. North America dominated the global market with a share of 51.51% in 2024.

Which country has the largest outdoor power equipment market in 2024?

North America dominated the global market with a share of 51.51% in 2024. The outdoor power equipment market in the U.S. is projected to grow significantly, reaching an estimated value of USD 24.94 billion by 2032, driven by the rising demand for battery-powered equipment for landscaping and gardening services.

How big is the outdoor power equipment market?

The outdoor power equipment market in the U.S. is projected to grow significantly, reaching an estimated value of USD 24.94 billion by 2032, driven by the rising demand for battery-powered equipment for landscaping and gardening services. Outdoor Power Equipment consists of small motors or engines primarily used for exterior service.

What is outdoor power equipment?

Outdoor power equipment, including lawnmowers, blowers, hedge trimmers, and saws, plays a crucial role in various landscaping operations, such as lawn maintenance, hardscaping, tree care, and snow removal. The evolution of the urban lifestyle has encouraged demand for outdoor equipment, especially in landscaping and gardening.

Who are the key players in the outdoor power equipment market?

The Outdoor Power Equipment market comprises various key players delivering scale products for numerous applications shaping the competitive landscape. The key players in the regional as well as global level are Alfred Karcher SE Co. Ltd, Yamabiko Corporation, Husqvarna group, Techtronic Industries Co. Ltd, MTD Products Inc, and TTI Group.

What's new in a 40V fuel & 40V fuel range?

The company's new range of tools includes the 40V fuel Brushless Cordless Leaf Blower and the 40V Fuel Multi-Head String Trimmer, both of which are engineered to provide exceptional results for users' gardening needs. The report highlights leading regions worldwide to offer a better understanding TO the user.

LSM Outdoor Power has been a successful family owned and operated business for years! We are your one-stop shop for outdoor power equipment from leading brands such as TORO, Hustler, and SCAG.
