

Outdoor solar lighting

What are outdoor solar lights?

Outdoor solar lights simplify exterior illumination, offering beautiful, functional lighting without the need for wiring. These lights are available in a variety of forms to help improve home safety and security, light up patios and walking paths, or create a cozy glow around your lawn, garden, or pool.

What are the different types of outdoor solar lights?

Based on their light output, outdoor solar lights fall into three general types: motion-activated, dusk-to-dawn, and timer-controlled. Because of solar cell size and battery capacity, the solar energy gathered is a limited resource, so consider when you want the lights to shine and for how long.

What is the best outdoor solar light?

Durable and versatile, the AloftSun Motion Sensor Solar Landscape Spotlights are our best outdoor solar light pick with three easy-to-use lighting modes and two installation methods, so you can have bright light when and where you need it.

What type of outdoor solar light do I need?

The type of outdoor solar light you choose will depend on the area that you're trying to light, as well as the ambiance you're trying to create. Soft dim light can be perfect for an alfresco dining experience, whereas bright white light is ideal for a practical lighting solution. The choice is yours!

Are solar lights a good option for outdoor space?

One great way to illuminate your outdoor space is with solar lights. Sarah Jameson, marketing director of Green Building Elements, says, "Solar lights, compared to low voltage and line voltage outdoor lights, are safer and more DIY-friendly since there's little to no wiring required at all."

What should you consider if you want decorative outdoor solar lights?

If you're looking for lighting to hang around a gazebo or line a patio, consider more decorative models, such as the Aityvert torch lights or the Brightech string lights. Here are three factors to consider when buying landscape lighting. Before purchasing outdoor solar lights, consider your personal lighting needs.
