Whatever the choice, it is always a better deal to buy from the local thai shop selling only aircons because they know what the local dynamics are and are street smart. Flee from the malls as they are just out to make a quick sale with bad after sales service usually. ... Northern Thailand Forum ; Chiang Mai ; Portable Air Conditioners ASEANNOW ...

Normally we'd each buy local SIM cards, but this has only been possible with unlocked smartphones. If you're in a locked 12/24 month contract, getting a local SIM card is not possible and you become reliant on expensive ...

This paper offers expert reviews to help outdoor enthusiasts in the Thailand make right decisions when it comes buying an ideal power station. Here I have listed our best picks on portable power stations in Thailand that are ...

Background information. In the past, Thailand conformed to the American plug and socket standard (types A & B), which, from a safety perspective, was not the wisest choice. After all, type A and B plugs are supposed to be connected to power outlets that supply between 100 and 127 volts and wall sockets in Thailand operate at 230 volts. This means that imported ...
