

Which solar tiles are best?

GB Sol offers its products with a 25-year warranty. Manufactured in Wales, these weather-resistant tiles are a cost-effective and locally produced choice. XO Edge Solar Tiles, manufactured in London and made from recycled plastics, are among the lightest on the market and boast aerospace-grade UV resistance and durability.

How strong are solar tiles?

The solar tiles go above and beyond the highest impact rating of Class 4 impact resistance. One solar company claims that its Solar Tiles are 3x stronger than other roofing materials. The solar tiles have a strong resistance to wind. They are rated for wind speeds up to 130 mph.
